

ARMENIA WINE

**TOURS OF THE WINERY
AND WINE TASTING**

About us

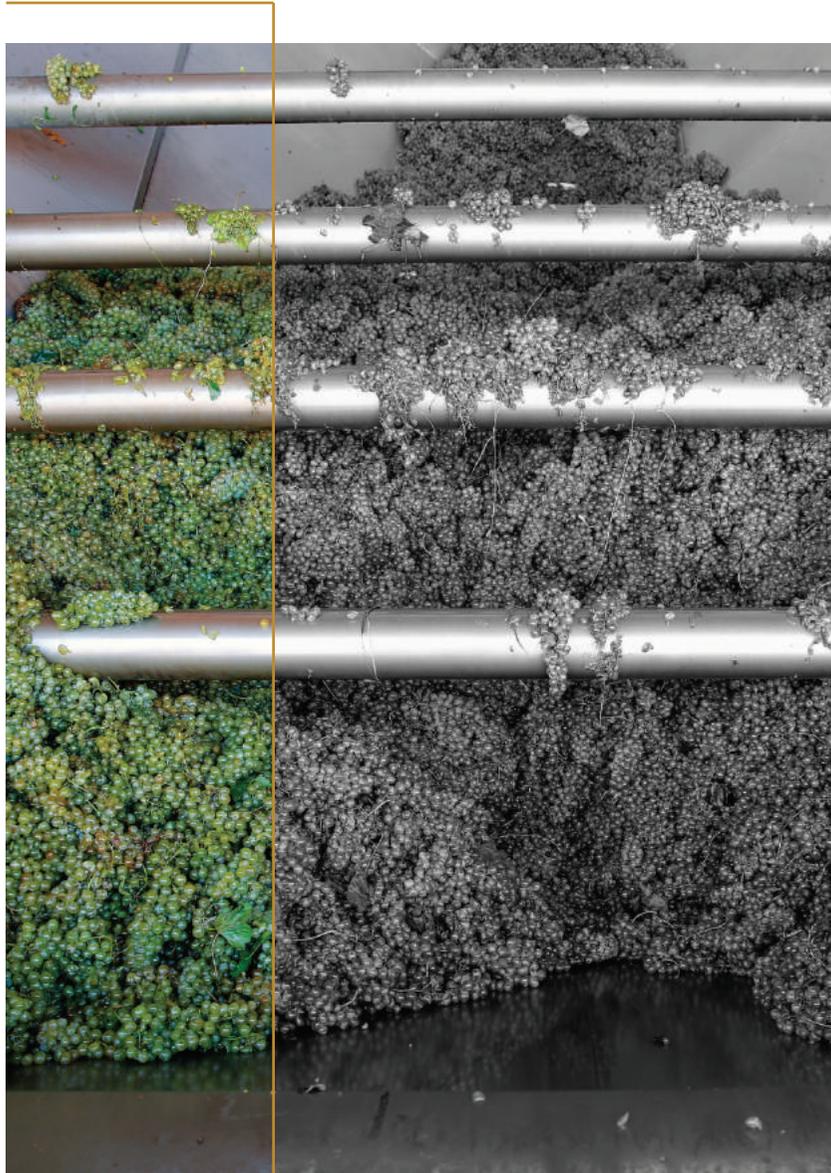

Our winery is located in Aragatsotn, one of the main wine-producing regions of Armenia. It is situated between Yerevan, the capital, and Mount Aragats, the highest peak of Armenia. Vineyard planting began in 2006 followed by the establishment of the winery in 2008. Encouraged by the past years' success the Company decided to expand its wine production and plant new vineyards. Nowadays, Armenia Wine is an exemplary winery, where century-old wine production of Armenia is undergoing a revival period.

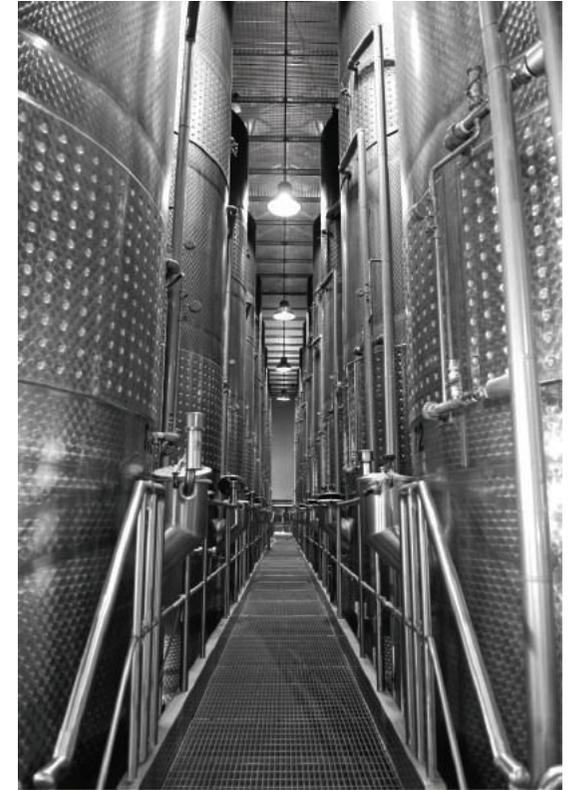

Throughout the whole year we offer visitors an interesting and informative tour inside the winery where they are introduced to the whole process of wine production, taste wine by discovering tasting peculiarities.

Grapes and vineyards

The birth of our wines begins at vineyards. In our winery you will discover Armenian as well as French grape varieties used in wine production.

Winemaking

Immerse yourself into the interesting world of wine and follow the stages of production step by step - from cultivating grapes to getting wine.

The structure of wine cellars allows visitors to walk inside and witness the winemaker's work.

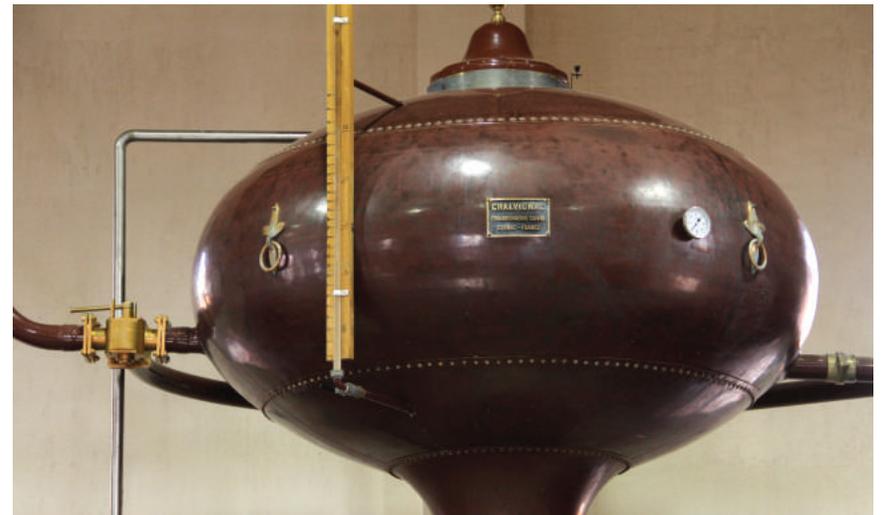

Sparkling wine

How are sparkling wines made and how do bubbles appear? You will discover all about this during your visit.

Brandy distillation unit

Aging cellars

The aging cellars are located underground, at the depth of 6 meters and contain about 1000 Armenian and French oak barrels.
